Other conditions: Short and long term warehouse rates included. Agencies are to obtain pre-move surveys from carrier prior to move days. Pre-move surveys help ensure accurate moving costs. Agencies should give carrier as much lead time as possible when booking moves.

Change #5: Contract is renewed for one year. New rates and charges shown will become effective 10/1/2002.

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the

original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

CONTRACT SUMMARY OF RATES AND CHARGES

Local hourly rates apply within a radius of (50) miles of carrier's terminals in Salt Lake City and St. George. Beyond (50) miles an additional charge of \$.90 cents per mile one way (deadhead mileage) will apply. Agency should verify accuracy of time/hours, including total number of workers in carriers crew, on shipping documentation with carrier shipping supervisor at time of move. Carrier will perform pre-move survey unless waived by agency.
